

Practice Supervisors can be any registered health care professional working in a practice environment who are keen to support and facilitate learning for pre-registration nursing and nursing associate students. All Practice Supervisors are required by the Nursing and Midwifery Council (NMC) to have received preparation and support to undertake the role. In addition, they must have current knowledge and experience relevant to the area and programme of study for which they are providing support, supervision and feedback (NMC 2018).

This preparation is ideally

Jacqui Fernell (Senior Associate Lecturer) and Caroline Donley (Associate lecturer)

This training will include 1 day eLearning and a half day-Workshop.
Confirmation of your workshop place will not be received until the e-learning has been completed. There is no charge to attend this preparation.
