LAKESIDE

c a m p u s

worcester.ac.uk/lakeside

Our ongoing developments are focused on supporting inclusive, lifelong education in sport, outdoor activity, outdoor learning, health & wellbeing and science and the environment.

We deliver engaging experiences through outdoor activities and team building within our local communities, which encompass

Selected activities

Bring your own tents or use ours and stay in our purpose built camping facility overlooking the lakes, with accessible shower and toilet facilities and space for staff or group leaders.

After a full day of aerial, land and water based activities, wind down by sitting around our fire pit and relax in the great outdoors.

We can provide fully catered residential options including breakfast, lunch, dinner and supper as well as full and half week residential programmes.

Please note:

The University of Worcester presents a series of fun-packed Holiday Clubs. Held during half term breaks and school holidays, treat your children to quality time playing in the great outdoors under the careful guidance of our qualified and friendly instructors.

Whether it's canoeing on the lake, soaring on a zip line or testing your bushcraft skills - there's something for everyone to enjoy.

Typical activities will include canoeing, climbing, archery, raft building, bushcraft and much more...

Please note:

- Holiday Club is suitable for ages 6 - 14yrs

lakeside@worc.ac.uk

With first-class facilities, we

OPEN WATER SWIMMING

Our idyllic swim venue; perfect for beginners just starting out or the more experienced triathlete. Our 1.6m deep lake with 600m circuit is a great venue to train on a weekly basis throughout the season and offers a fantastic setting to host your very own triathlon or duathlon competition with access to a 10km run route onsite.

Our experienced lifeguards are always on hand to ensure your safety and our robust management and testing systems ensure that our lake is prepared for your swim. We now also offer open water coaching sessions on a small group basis during our regular sessions. We can offer sessions for everyone, whether you are new to open water and venturing out of the pool for the first time or wanting to chase those quicker times for competitions.

Start: April (dependent on water temperature)

End: September (dependent on water temperature)

Monday 6pm-8pm,
Saturday 8am-10am.

Guidelines:

- 8–14-year-olds accompanied by a competent over 18 swimmer and a signed waiver form
- 14–18-year-old (that are competent) independent swimmer must have competency statement signed off by swim coach, parent/carer, and UW member of staff
- Please read swimmer safety information prior to attending
- Booking here - <https://webengine-01.worc.ac.uk/lakeside/>
